About Landsdale Motor Wreckers

Landsdale Motor Wreckers is a family business, owned by myself (Dave) and my wife Tracey and has been running for over 20 years.

I am a qualified mechanic and have a small but skilled team working for me, who between them have many years of experience working with all makes and models of cars.

My staff are friendly and willing to help ensure that you get the auto part you are looking for. Wherever possible our parts are tested prior to removal from the vehicle to ensure only good quality parts are sold to the public.

Used and Damaged Cars Bought for Cash

We are always looking for new stock cars so if you have a vehicle that is damaged, no longer runs or is simply unwanted, then please [contact us](#).

Please Note: Although we pay top dollar for any damaged or used vehicle in Perth that you would like to sell, we pay even more if you have the vehicle delivered to our wrecking yards yourself. Call us on (08) 9302 2466 to find out more. Remember to
