About Us

Northlakes Telephone Installations was established in 1993. Our Technicians are licensed under the Australian Communication Authority (ACA). Northlakes Telephone Installations strongly pride ourselves on superior quality customer service, maintaining a personal and professional Approach.

Clients are given the luxury of dealing with the owners of the business, not a call centre. We offer a large range of services from cabling, to sales of telephone systems and maintenance. There are no System maintenance contracts. Our main focus is on small to medium business and we cover the entire central coast and lower Hunter Newcastle Areas.

Thanks

Neil Daniel (Owner & Founder)
