BREWING QUALITY BEER

Prefer to drink quality boutique beers that are affordable? Brewers Choice can provide you with everything you need in a simple starter kit to begin brewing your own boutique beers. Take one home today and start brewing tonight!

Your starter kit comes with a free Beer pack— enough to make 30 bottles of beer. You choose the type of beer you want to drink – a Munich Lager, Czech Pilsner, Mexican Cerveza or a XXXX that's better than the real thing.
