

IMAGING THE
COMMUNITY
DESERVES

NEW BELMONT SITE
OPENING 1ST JUNE

+ ALL EXAMINATIONS ARE BULK-BILLED

WHY US?

In Focus Radiology is a local, independently owned medical imaging service with a strong community minded approach.

Recently, we have not only changed our look but also partnered with an experienced team of Radiologists to bring a wider range of quality services to the area.

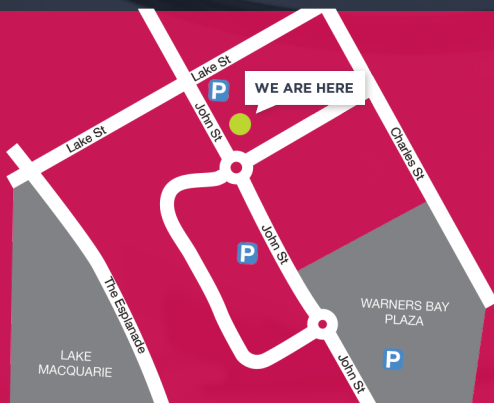

In Focus Radiology continues to deliver a caring, accessible no cost service that sets us apart from other providers.

OUR SERVICES INCLUDE

- CT Ultra-Low Dose
- Ultrasound
- X-Ray
- OPG/ CT Dental
- Bone Densitometry
- Guided Joint & Spinal Injections
- Biopsies
