

New Car Servicing

Not a problem!!! We meet or exceed manufacturer's specifications when servicing your new vehicle. We consult our oil data base and use the specific grade of oil required for your vehicle and as a LICENCED repairer we are authorised to stamp your book in accordance with the service

requirements. There will be NO adverse issues with your new vehicle warranty and we GUARANTEE to save you at least 20% off any dealer priced or fixed / capped price service!!!

1st Choice Mechanical Repairs guarantees top quality service, repairs and Customer care.

We guarantee that we will be one of the Illawarra's most competitive repairers and not substitute quality over cost.

No matter what sort of vehicle you own, old or new, no matter what model, Australian or European, 1st Choice Mechanical Repairs have the expertise to service, repair and deliver to the highest expectations.

No job is too big or too small, we have the expertise, facilities and latest tooling technology to get the job done and get it done correctly at an affordable price, backed by the use of quality parts and fluids.

We are open early and close late, Saturdays are available for repairs and servicing by appointment. If you are vehicle dependent we can arrange to lend you one of courtesy cars at no charge if required.
