Dear Peter,

We wanted to thank you and your team for the fantastic work you did to improve our North Balwyn home in December

The decision to change our very large front window was 12 years in development and your team managed the transformation in only 1 day. The difference to our home is quite amazing. We now have beautiful morning sun filtering through, giving us a view of our garden. We actually had our Christmas lunch in the lounge room looking out onto the garden - it was really lovely!

The other addition to our home that you created was our 2 new sliding doors out onto our verandah. These have been fabulous for entertaining and we now are looking at adding a bifold servery window from the kitchen to complement the outdoor area.

We wish to thank you for making this renovation experience positively problem free. We would happily refer your services to anyone requiring window &/or door renovations.

Kind Regards

Clare & Rohan
