GUEST SATISFACTION

At Nobby Beach Holiday Village we are proud of the holiday experience that we offer and every aspect of our great park. We trust you will be happy with your choice of any of our accommodation options, be it a Villa, Studio or one of our powered sites.

If you arrive and find that you are not satisfied with your accommodation, we ask that you please report any fault or shortcoming in your accommodation to management within one hour of check-in. We will then do whatever we can reasonably do to rectify the issue to your satisfaction, so you can relax and enjoy your holiday experience with us.

Our objective is to ensure that you have a fantastic and relaxed holiday experience every time you stay with us!

Please Note:

In the event that you wish to change accommodation and our housekeeping team is required to make good the accommodation for our next guest a minimum fee of \$85 will apply.

For group bookings this will apply for each room.

RULES FOR A SAFE AND ENJOYABLE STAY

1. Please be kind, courteous and considerate to others. Rough, noisy or intimidating behaviour spoils it for others.
2. Please enjoy the park and use all facilities and equipment safely and with care.
3. We ask that you take special care with the use of alcohol. It can't be supplied or consumed by minors, and drinking where there is play equipment or within the fenced pool area is not permitted.
4. To ensure the safety and peace for all guests, skateboards, rollerblades, scooters, razers, bikes, etc are not allowed in the Pool, BBQ or entertainment areas up near and behind reception and not on the accommodation pathways. Please have fun and enjoy using this type of equipment elsewhere in the park.
5. Smoking is not permitted in any of our accommodation or in any of the buildings, common areas, the pool area, BBQ or entertainment areas or where there is play equipment. (If you smoke in accommodation a cleaning fee of \$175 applies, with an additional \$85 cleaning fee payable if accommodation is left in an unsatisfactory condition).
6. Everyone is here for a good time, and a good time means something different to everyone, so we ask that noise is kept to a minimum at all times. Young and old enjoy a sleep in after an exhausting day of entertainment or just lazing by the pool so please observe "quiet time" from 10pm to 7am.
7. The speed limit for all vehicles (including cars, bikes, skateboards, razers, motor bikes) is 5klm. So it works for everyone - Only one vehicle is allowed per site and the vehicle must only be parked on your site or allocated car park. Given our limited parking, all other vehicles must be parked outside the Holiday Village boundary.
8. For everyone's safety, skateboards, rollerblades, razers, bikes etc are not permitted to be used after dark.
9. We really appreciate it if you please use the appropriate rubbish containers placed throughout the park, as marked on the park map. Please also keep your accommodation, your sites and the park generally clean and tidy at all times. We all need to participate to keep a clean and tidy park.
10. Unfortunately pets are not allowed in the park.
11. Please abide by all other Park Rules, Park Signage, any Terms and Conditions and any Directions given by Nobby Beach Holiday Village staff.
