Designed for freedom

Jpod

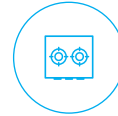

JPOD

Instant freedom.

If freedom and spontaneity are how you like to travel, the Jayco JPod is the RV made for your next adventure. A lightweight trailer perfect for couple's or a single wanting a short break that can be towed behind your average sedan or small SUV, which opens up a world of RV travel to a new generation.

Savvy use of space is a highlight of the Jpod, which include innerspring double mattress, bed reading lights featuring USB charging ports and plenty of overhead storage options.

Cook all your favourites with the slide out kitchen with 12V water pump and 2-burner gas cooktop*.

There is no shortage of clever storage options with a lift up bed and cleverly designed storage compartment and a large external a-frame mounted toolbox to safely store all your gear.

Uncomplicated features, for quick and easy adventures, including a under mounted gas bayonet, bag awning, 100 Amp Hour battery and optional portable fridge.

^ With optional roof top tent

* 2-burner cooktop optional on Sport model.

JPOD-X

Adventure made simple.

The all new Jayco JPod-X is the perfect lightweight RV for couple's or a single wanting a no fuss weekend away. With rugged construction and independent suspension, the JPod-X can take you to all your favourite campsites with ease.
