The heart of our firm

MEET EXPERIENCE

PRACTICING SINCE 1929

Our firm is privileged with a vast history dating back to 1929. That's almost a century of leading legal practice. With such vast experience, there is no doubt that whatever your legal problem is, we have seen it before.

Experience tempered with adaptability - we use modern technology to enhance our ability to provide quality, experience-based legal knowledge to our clients.

MEET KNOWLEDGE

LAWYERS WORTH KEEPING

With a little bit of googling, anybody can gain some basic legal knowledge, but self diagnosing your own legal problems is perilous work.

At Mahons Lawyers, we develop and keep only the most highly competent and knowledgeable lawyers who are above all else - capable. Enjoy peace of mind as we guide you in the right direction.

MEET PASSION

LOVED BY CLIENTS

Professional, but never intimidating, the team at Mahons are always here to help you.

We understand your needs and speak to you in a language that you can understand.

We are passionate and devoted to delivering our client's needs, because after all, your success is our success.

MEET OUR LEADER

Anthony Mahon, the director of Mahons with Yuncken & Yuncken Lawyers is a Barrister and Solicitor of the Supreme Court of Victoria and the High Court of Australia. Anthony is also admitted as a Practitioner of the Supreme Court of Tasmania. Anthony specializes in developing a total consulting package for small business clients of the practice and assists them in all their legal matters, providing all necessary advice and ongoing business strategies and succession planning.

He acts for a large number of property developers in the sub-division of land, including inner city developments. Additionally he maintains a significant conveyancing practice for both residential and commercial properties. The areas of general commercial law, franchising, business sales and purchases, leasing, securities and commercial agreements together with estate planning and administration are Anthony's areas of particular expertise.
