

## ***Why Choose an Agency over an Independent Escort and How to get the right Agency?***

*The assortment of options out there for gentleman these days to meet a girl for some fun is nothing short of mind boggling and confusing to say the least. And who do you trust?*

### ***The reasons you might have for seeking experienced and reputable escort agencies can be numerous:***

*Red Door Agency knows from first-hand experience most contact comes from regulars (of course) and gentleman who have tried other options and been dissatisfied. Either they have tried the embarrassment of being set up by friends, general dating agencies, online dating, Tinder and the like, singles bars blind dates, picking up woman in the shopping centre or at work place, other mediocre agencies and not so honest private escorts. And a lot of time and money has been wasted in the end. You might be looking for some guaranteed quality, value, some guaranteed fun.*

*By engaging the service of a reputable High-Class Escort Agency means you have someone on your side. Seeking out the ideal woman on your behalf. By assessing your needs and preferences we can ascertain the type of lady you are looking for and recommend accordingly.*

*We are professionals in our industry and are industry leaders in establishing the correct type of ladies to represent at our agency and only the most well refined to introduce to our gentleman.*

### ***Perhaps You are a particularly busy gentleman:***

*Wasting time with disappointing results is not an option. There is nothing wrong with concentrating on and excelling in one's line of business or offices. However, professionals often do not have the time to lend sifting through web after web page to find a suitable lady. Therefore, it is a tremendously simpler approach to rely on Red Door Agency to take the hassle out of your pursuit. Allow us to find you suitable pursuits for your personal life magic, whilst you stay focused on your endeavours.*

*You can schedule in your preferred dates with us and leave the rest to us. It's our pleasure to have beautiful, suitable, accomplished highly organised High-Class Escorts available for you at your convenience. When you find one or more ladies that you really like and wish to meet again it becomes even easier.*

*Perhaps you're a private person and don't like the idea of your personal information and photos online.*

*Why would any VIP gentleman of class want to have their personal details on a random website out there, run by some marketing company? Online hook ups and dating is incredibly popular, but successful, affluent or identity sensitive people will not enjoy being part of a public pool of profiles. The thought of who knows how many strangers are seeing your details is a scary thought. Imagine one of your colleagues, staff or customers sees your profile online? You could lose all professional credibility especially if you are in a long-term relationship. When you use Red Door Agency for escort introductions, your details are kept 100% secure and private forever. In fact, records are not retained. If you do happen to request us to retain some details of yours this is done under the strictest guidelines and never shared with anyone outside the agency ever.*

***Perhaps your dates always end up being a waste of money:***

*Currently, it can be extremely difficult to find authentic people WHO ARE NOT NARCISSISTIC OR GREEDY. Sometimes you are drawn to the wrong type for whatever reason. When you have the assistance of Red Door Agency we can help you not make the same mistakes.*

*Obviously, men are very visual and looks do matter. At least 90% of the selection criteria always comes down to looks. But many other factors can be taken into consideration when selecting the ideal escort for your pleasure. We are experts at collaborating all the finer details for you. So, you will not end up at a booking with a lady who does not match the pictures or criteria you have requested. Again, therefore it is very valuable to utilise the service of a high-end agency so you will be assured you are getting exactly what you are paying for every single time.*

***Perhaps you are not confident in your looks or your personal skills to engage a woman whom you really like:***
