## About Hard Rock Memorials

Hard Rock Memorials has been a registered business since 30th August 2012. Lee Blaker, the business owner, has 26 years experience in the industry.

At some time in our lives we have to endure the painful task of choosing a monument for our departed loved ones. Hard Rock Memorials has a wide range of monuments, plaques & restoration work to choose from. All monuments are available in single, double and triple sizes with a range of granite colours to choose from.

Monuments aren't just for cemeteries and people. A nice way to remember your "four-legged companion" is a monument. This gives you a place to remember your beloved friend, whether it be at home in a garden or in a pet cemetery.
