

KELLY TYRES

A GOOD DEAL ON A GREAT TYRE

OVER 100 YEARS ON
AND OFF THE ROAD.

EXCLUSIVE TO:

 **Tyrepower**

DEPENDABLE, TRUSTWORTHY AND LONG WEARING 4WD AND CAR TYRES.

The Kelly tyre was originally created in the USA over 100 years ago and is the reason why many motorists insist on fitting Kelly tyres. It's not surprising that Kelly has earned an enviable reputation for being one of the most dependable, trustworthy and long wearing tyres on and off the road.

CHURCH GULLY

HIGH PERFORMANCE Kelly Charger GT

The very latest release for the Kelly car tyre range, the Charger GT features:

- Stabilising shoulder block elements for enhanced cornering, control and stability.
- A unique tread design promotes even tread wear for an enhanced ride.
- Circumferential grooves help evacuate water for enhanced grip and control in the wet.

CAR TYRES

CAR TYRES

ON-ROAD Kelly Safari Signature

Classified as a premium on-road 4WD tyre, this tyre is ideal for city and country driving and features:

- Optimised design pitching to improve driver comfort through minimising noise.
- Square shoulder design to provide outstanding braking and traction.
- Deep and wide tread grooves to reduce aquaplaning and aid in responsive handling.

Sizes

P215/70R16 99S OWL

ON-ROAD Kelly LT616

This tough tyre is Kelly's best value 4WD tyre on the road and features:

- Silent block design, which helps to reduce noise and improve vehicle comfort through more progressive contact with the road.
- Elongated ribs to maintain continuous contact with the road for a quieter ride.
- Block type tread pattern for wet and dry handling.

ON/OFF-ROAD Kelly Safari ATR

The Safari ATR is introduced as a new light truck and SUV tyre for drivers seeking an optimal combination of both on and off road traction. Features include:

- Self cleaning traction grooves help propel mud and dirt away from the tread for all-season traction.
- Wide tread grooves help evacuate water for traction in wet weather.
- All-Terrain tread promotes enhanced gripping power on and off the road.

Sizes

LT 235/85R16 120/116R BSW

 LT 245/70R17 119/116R OWL
 LT 265/70R17 121/118R OWL

ON/OFF-ROAD Kelly Safari TSR

The Safari TSR has been developed as a rugged traction tyre with enhanced grip and durability both on and off the road:

- Deep self cleaning tread to provide enhanced mileage, even wear and off-road traction.
- Large staggered shoulder blocks to provide increased mud evacuation and off-road traction.
- Non-symmetric interlocking tread blocks to help reduce noise and enhance traction when back on-road.
