

## Electricians trusted by Queenslanders for over 60 years

Power outages are never pleasant and they always seem to happen at the worst possible time. Whether you're in the middle of cooking dinner, trying to finish a work project, or watching TV, suddenly losing power can be incredibly frustrating.

We have over 40 electricians on the road so we'll get your power back on sooner, leaving you with the peace of mind that comes from our limited lifetime labour warranty. Our electricians also work from **7am to 3pm Saturdays at standard rates**, so there's no need to take time off work during the week.

Our range of products and services that save energy, ensure safety and increase convenience, include;

- Surge protection
- Switchboard repairs & upgrades
- House (re)wiring
- Power upgrades
- Safety switches
- Smoke alarms
- Power and data points
- CCTV & home security
- All lighting including LED
- TV points
- Ceiling fans
- 24/7 emergency service

## Are your smoke alarms compliant with the current legislation?

It's essential to have your smoke alarms checked regularly to ensure they are in working order, so you and your family will be alerted in the case of a fire.

### ***DID YOU KNOW?***

Smoke alarm laws changed in January 2017 to protect Queensland families.

To find out what this means for your home and family, call to arrange a visit by one of our qualified electricians.

***Let our trusted electrical specialists ensure your home is safe!***

**HOME  
PROTECTION**

**\$99 SMOKE ALARM  
COMPLIANCE CHECK**

### ***Our \$99 smoke alarm compliance check includes:***

- For \$99 our electrician will perform a **thorough compliance check of your smoke alarms**
- Our technician will check if your smoke alarms meet Australian standards and **the current legislation**
- They will then provide any **recommendations on upgrades** if required
- You will receive a **smoke alarm compliance certificate**
