We buy and sell all Australian and world coins, banknotes, gold and silver. As official agents for the Royal Australian Mint, we sell a select range of uncirculated and proof coins. We also carry an extensive range of Royal Australian Mint issues from past years and stock a competitively priced range of both pre-decimal and decimal Australian coins and banknotes, as well as an interesting range of world collector coins. Please email us or contact our [Glenelg store](#) if you are looking for something in particular.
