

# Looking to Buy?

Buying a home can be one of the most exciting and rewarding times of your life. Or it can be stressful and disappointing. To ensure the best experience possible we encourage all buyers to be as prepared as they can.

When searching for property our listings can be viewed on [johncook.com.au](http://johncook.com.au), [realestate.com.au](http://realestate.com.au) & [domain.com.au](http://domain.com.au). If none of our current listings suit, register with the Property Alert feature on our website and receive automatic notifications of properties that match your unique criteria as soon as they hit the market.

Alternatively talk to one of our agents and let them know your needs & wants and if we don't have what you are after we can help you find it!
