**HOT WATER SYSTEMS & GENERAL
PLUMBING SERVICES IN ELANORA &
SURROUNDING AREAS**

Here at Barker Plumbing Services, we understand that a reliable and efficient hot water supply is a vital part of every home and business. If there is ever a problem with your hot water systems, it's important that you are able to call on a team you can trust to get your hot water flowing again as soon as possible.

Barker Plumbing Supplies are specialists in all hot water systems including solar, gas and electrical systems. We have the knowledge, experience and equipment to find problems and solve them quickly, carrying out all repairs and maintenance needed on the various elements of your system.

Hot water systems services:

- Solar, gas and electric hot water specialist
- All repairs, maintenance and replacements
- Hot water service heat pumps
- Fully accredited and guaranteed work

- Solar hot water, certified by authorities
- Anode replacement
- Professional installation
- We're not a 'Mickey Mouse' plumber!
