### Everything you need included in the rental cost

All vehicles are covered with comprehensive insurance and include registration, roadside assistance and video tolling for easy driving on toll roads. All costs associated with travel on toll roads including the video tolling administration charge will be charged separately against the rental.

### Flexible solutions for your fleet

The use of a rental vehicle can be easily arranged through your ORIX Account Manager. We can arrange pick up from our offices around Australia or, for a modest fee, can have the vehicle delivered and picked up from your premises.
