"To whom it may concern, Chris Carr has been cement rendering on my projects for the last 7 years or so. He has been very professional and easy to work with. His work is of very high standard and he is neat, tidy and clean. It is very important on high quality projects to have straight and flat walls as it is the final finish. Chris and his team do this very well in making the final paintwork look fantastic. I have no problem recommending Chris Carr ." Robert Westerdijk
