

Transcorp- Valet Unpacking Service

Hit the ground running in your new home, with unpacking and home set up by Transcorp Removals & Storage.

Choose the level of service you need:

- **Assist Unpack** where our staff unpack for a set period of time (we can focus on your priority areas such as your kitchen, master bedroom or children's rooms)
- **Full Unpack** where every carton is unpacked and all your belongings are put away.

How we help:

- Wipe cupboards, shelves and bench tops clean
- Set up kitchen -glasses, crockery, cutlery, appliances and pantry
- Make beds and organize bedrooms
- Unpack, fold and hang clothes in wardrobes
- Set up bathrooms, fold and colour coordinate linen and towels
- Set up living areas, place special items on display
- Arrange books, CD's and DVDs onto shelves
- Set up and organize children's rooms
- Unpack and organize home offices
- Ready empty packing materials for collection
- Leave a beautiful bunch of flowers with our compliments
- We can also take the boxes away at the end of the unpack

Benefits to you:

Save time, reduce the stress and effort of your move

Our unpacking staff can efficiently unpack and get you settled quickly in your new home. On your own, this could take days or weeks to complete whilst juggling so many other tasks. With us unpacking for you, you can focus on other priorities, like family needs and organizing essential services for your new home.

Efficient

Moving can be stressful when you are surrounded by mountains of boxes and cannot easily find the things you need. We will work speedily to place everything away and make your new home tidy. Your empty removals cartons can then be promptly removed too.

Getting organized

Our unpacking staff are friendly and mature with plenty of moving experience. Having helped people move and set up a variety of homes over many years, their organizing ideas and suggestions will delight you.

Help for as long as you need

Typically our Un Packing Service is charged at an affordable hourly rate, with a minimum of two valet un-packers for four hours (approximately 30-40 boxes can be valet un- packed in this time), extendable at any time. Choose as much un-packing help for your move as required. If we are only un-packing a hand full of boxes then in may be possible to be performed by our removal teams as an hourly rate on the actual move

Save time and reduce the stress of your move.
