Educational Roller Blinds

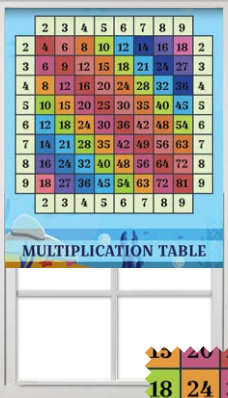

Classrooms are places to fuel the imagination and stimulate the learning process. We have developed a range of educational blinds that graphically suit all levels of education from preschool to college. Available in screen, blackout & opaque fabrics, not only do our blinds brighten up classrooms, they provide security and privacy. Take advantage of all the benefits of standard roller blinds, with the added benefits of colour & creativity.

STEP BY STEP

CHOOSE. MEASURE. ORDER. INSTALL.

- 1. CHOOSE YOUR BLINDS**
Select either plain, pattern or printed fabric from our website.
- 2. MEASURE YOUR WINDOWS**
We'll give you all the instructions for measuring your windows accurately.
- 3. PLACE YOUR ORDER**
Hop online and place your order or call us on 1300 55 49 36.
- 4. FIT YOUR BLINDS**
Try not to fall off the ladder and die.
And if you do, make sure you have health insurance.

Already know what you're looking for? Then visit our website to place your blind order online. Alternatively, you can give us a call and let one of our team take care of the whole process for you.
