## ABOUT KAB SEATING

KAB Seating's world leader status comes from the many years of experience we have within seat design, development and production. For over 30 years in Australia and more than 60 years worldwide, KAB Seating products have been synonymous with quality, durability and comfort.

The KAB Seating Office Chair range is no different. The range came about as a result of supplying vehicle seats for the transport, construction, mining and agricultural industries.

The ergonomic characteristics necessary in a good drivers seat are equally as important in the office arena today. The design of the KAB Office Chairs was heavily focused upon criteria laid down by the British National Back Pain Association.

Back pain is the second biggest cause of absenteeism in the workplace and in the UK alone 70 million working days are lost annually.

If you sit with a fixed posture all day you will inevitably end up with physical aches and pains. Movement varies the stress and strains placed on the body. KAB work chairs offer every individual a variety of adjustments to provide frequent posture changes.

Regular posture change is made easy with the variety of adjustments incorporated in KAB Office Chairs. From height, tilt rocker, lumbar and backrest adjustment to headrest and armrest tilt, you'll never find yourself uncomfortable in a KAB 24/7 Office Chair.

## CHAIR STANDARDS

KAB Office Chairs have been tested by the British Office Chair Institute to meet appropriate British, European and Australian Standards. See Table.

	ACS	Associate	Executive	Controller	Manager	Navigator
<b>Strength, Durability and Stability</b> BS 5459-2: 2000	✓	✓	✓	✓	✓	✓
<b>Strength, Durability and Stability</b> BS EN 1335: 2000 Parts 2 & 3	✓	✓	✓	✓	✓	✓
<b>Ergonomical/Dimensional</b> BS EN 1335: 2000 Part 1, Type C Approval	✓	✓	✓	✓	✓	✓

The ACS, Associate, Executive, Controller, Manager and Navigator chair models have been tested to Level 6 - Severe Commercial Standard. The above chairs have been assessed by Furntech and found to comply with the standard.

The AFRDI Certificates for the above mentioned KAB Office Chairs are available upon request or alternatively can be downloaded from our website.

Hangers

PU Castors

Gliders

## KAB ACS EXECUTIVE

The KAB ACS Executive is the top of the range 24/7 office chair. It is a robust, ergonomic, 24/7 chair primarily designed for use by back pain sufferers.

It features eight electrically adjustable air bags in the seat and back cushions. These provide optimum comfort and ergonomic support. Three air bags are located in the backrest which provide variable height lumbar support. Two are located in the side cushions which provide customised side support. Two are located in the side bolsters of the seat cushion and the final one is located in the front thigh cushion for customised thigh support.

Like all KAB office chairs, the ACS Executive also features back recline, tilt-lock and height riser mechanisms. Even the headrest is height and tilt adjustable. Furthermore, the armrests can be tipped up out of the way or swivelled down to fit comfortably under your desk. The adjustability of this chair makes it an excellent injury rehabilitation chair.

- ✓ AFRDI Level 6 Certified to 150kg
- ✓ Warranted to 225kg
- ✓ 5 Year General Use Warranty
- ✓ 2 Year 24/7 Use Warranty

### Available in:

- ✓ Black Leather
- ✓ Pirate Black Cloth
- ✓ Herald Blue Cloth
- ✓ Nottingham Green Cloth
- ✓ Sherry Maroon Cloth

## KAB ASSOCIATE

The KAB Associate is a robust 24/7 chair primarily used for boardrooms and prestige offices. Whilst presenting an extremely professional image in boardroom applications, it simultaneously provides optimum ergonomic comfort throughout those long conferences and endless meetings.

The primary point of difference from the other KAB 24/7 office chairs is that the Associate features a unique triple lumbar system which provides variable height lumbar support to alleviate back pain.

Like all KAB 24/7 office chairs, the Associate also features back recline, tilt-lock and height riser mechanisms. The headrest is also height and tilt adjustable, whilst the armrests can be tipped up out of the way or swivelled down to fit comfortably under your desk. Together, these features offer extensive seat position adjustment and therefore promote optimum individualised comfort and ergonomic support.

- ✓ AFRDI Level 6 Certified to 150kg
- ✓ Warranted to 225kg
- ✓ 5 Year General Use Warranty
- ✓ 2 Year 24/7 Use Warranty

### Available in:

- ✓ Black Leather

## KAB EXECUTIVE

The KAB Executive is an ergonomic 24/7 chair recommended for people of larger stature. Its primary point of difference from the other KAB office chairs is that it features wider body contoured cushions which offer greater side cushion support.

It also features an inflatable air lumbar support, back recline, tilt-lock and height riser mechanisms. The headrest is height adjustable and the armrests can be tipped-up out of the way or swivelled down to fit comfortably under your desk.

Together these features allow for extensive seat position adjustment which promotes optimum comfort and ergonomic support throughout long shifts. The KAB Executive is therefore ideal for multiple user/shift-work environments.

- ✓ AFRDI Level 6 Certified to 150kg
- ✓ Warranted to 225kg
- ✓ 5 Year General Use Warranty
- ✓ 2 Year 24/7 Use Warranty

### Available in:

- ✓ Black Leather
- ✓ Pirate Black Cloth
- ✓ Herald Blue Cloth
- ✓ Nottingham Green Cloth
- ✓ Sherry Maroon Cloth

## KAB CONTROLLER

The KAB Controller is an ergonomic, robust 24/7 chair for primary use in surveillance, control station and emergency service department environments.

It features back recline, tilt-lock and height riser mechanisms. It also features an inflatable/deflatable air lumbar support and body contoured cushions. The headrest is both height and tilt adjustable. The armrests can be tipped-up out of the way or swivelled down to fit comfortably under your desk.

No matter what your build, the combination of these features will enable you to completely customise this chair to suit your individual comfort and support needs. More importantly, the adjustability ensures optimum comfort and ergonomic support across multiple users in 24/7 shift-work environments.

- ✓ AFRDI Level 6 Certified to 150kg
- ✓ Warranted to 225kg
- ✓ 5 Year General Use Warranty
- ✓ 2 Year 24/7 Use Warranty

### Available in:

- ✓ Black Leather
- ✓ Pirate Black Cloth
- ✓ Herald Blue Cloth
- ✓ Nottingham Green Cloth
- ✓ Sherry Maroon Cloth

## KAB MANAGER

The KAB Manager is an ergonomic 24/7 chair recommended for people of smaller stature. Its primary point of difference from the other KAB office chairs is that it features narrow contoured cushions, a shorter seat cushion and a shorter (medium height) backrest.

Like all other KAB office chairs, the Manager also features an inflatable air lumbar support, back recline, tilt-lock and height riser mechanisms. The headrest is also height and tilt adjustable. The armrests can be tipped-up out of the way or swivelled down to fit comfortably under your desk.

The combination of these features offer unlimited seat position adjustment which provide optimum comfort and ergonomic support during long shifts. The Manager chair is therefore ideal for multiple user/shift-work environments.

- ✓ AFRDI Level 6 Certified to 150kg
- ✓ Warranted to 225kg
- ✓ 5 Year General Use Warranty
- ✓ 2 Year 24/7 Use Warranty

### Available in:

- ✓ Black Leather
- ✓ Pirate Black Cloth
- ✓ Herald Blue Cloth
- ✓ Nottingham Green Cloth
- ✓ Sherry Maroon Cloth

## KAB NAVIGATOR

The KAB Navigator is the most economically priced chair in the KAB 24/7 range and is primarily recommended for use in secretarial, workstation, reception and general office applications.

The Navigator's primary points of difference from the other KAB 24/7 chairs is that it features narrow contoured cushions, a short seat cushion and a low backrest. Furthermore, it does not facilitate a headrest, but rather comes with a back extension which offers further upper back support.

Like all other KAB office chairs, it also features an inflatable air lumbar support, back recline, tilt-lock and height riser mechanisms. The arm rests can be tipped-up out of the way or swivelled down to fit comfortably under your desk. Therefore, despite being more economically priced than other KAB 24/7 chairs, the Navigator still offers optimum comfort and support.

- ✓ AFRDI Level 6 Certified to 150kg
- ✓ Warranted to 225kg
- ✓ 5 Year General Use Warranty
- ✓ 2 Year 24/7 Use Warranty

### Available in:

- ✓ Pirate Black Cloth
- ✓ Herald Blue Cloth
- ✓ Nottingham Green Cloth
- ✓ Sherry Maroon Cloth

\* For this Navigator model only, an 8 week lead time applies for Black Leather trim.

## KAB DRAFT CHAIR

The KAB Draft Chair is a robust chair that has been specifically designed for use in toll booth, laboratory and workshop applications.

Like all KAB Office Chairs, the Draft Chair features back recline and height riser mechanisms as well as body contoured cushions for customized comfort and support. These features make the draft chair ideal for shift work/multi-user environments.

The Draft Chairs' primary point of difference from the other KAB Office Chairs is that it does not feature a tilt-lock mechanism or an air lumbar. Furthermore, it comes standard with glides instead of castors. It is also available with a 51cm footring.

- ✓ 5 Year General Use Warranty
- ✓ 2 Year 24/7 Use Warranty

### Available in:

- ✓ Black Vinyl Trim
- ✓ Charcoal Cloth

## REFURBISHMENT

When your KAB Office Chair becomes damaged, worn, faded or out dated, KAB Seating can refurbish your chair to look, feel and perform like brand new.

KAB Seating offers a wide range of refurbishment services, many of which can be performed on-site thus minimising inconvenience and downtime. Our refurbishment services are undertaken by specialists and all work is re-warranted in line with the warranty for a brand new KAB Office Chair.

### Refurbishment Services:

- ✓ Panel, seat & headrest re-upholstry,
- ✓ Component replacement including foam, castors, armrests and lumbers, etc,
- ✓ Ongoing preventative maintenance programs,
- ✓ Custom designs.

### Benefits:

- ✓ Cost Savings in comparison to purchasing a new office chair,
- ✓ Re-warranted as per new
- ✓ Extends the life of your chair(s),
- ✓ Re-using to reduce landfill waste and thus meet green needs,
- ✓ Phased programming for large scale projects,
- ✓ Fast turnaround,
- ✓ Fitted with custom design scheme to match workplace environments,
- ✓ Flexibility to customise your office chair by adding optional extras.
