

Under Construction

Cliftlands Park

This residence is currently under construction for Mick & Katrina, the owners of No Bull Building. As it is being built on their 160 ac property on the outskirts of Scone, they wanted to build a traditional country homestead style residence, that would suit the natural landscape of their property. The project commenced in April 2013 and they envisage it will be completed early 2015. Keep checking back for ongoing progress pictures.

Satur Road Development

This project is being undertaken by No Bull Building, for Hearnly Enterprises, and is due to commence April 2014. This is the second project No Bull has been contracted to complete for Hearnly Enterprises, and highlights our commitment to providing high quality workmanship and ensuring customer satisfaction.

Smith St Duplex Units

These units commenced construction midway through 2013 and are currently at the lockup stage. They are the second set of units being built by No Bull Building for existing clients Chris & Meredith Bowman of Clifffdale Pastoral. The units are currently for sale through Ray White Real Estate, Scone.
