

# WHY BUY YOUR TRUCK SEATING THROUGH US?

Here at **Advanced Suspension Seating Laverton** and **Pharlap Seating Thomastown**, we:

☑ have 15 years experience in the industrial seating industry; selling new seats as well as repairing both KAB Seats and other well known seating brands.

☑ have 2 showrooms filled with a wide range of seating options for any vehicle application. This allows you the freedom to sit on the applicable seats and ensure the one you choose is the most comfortable option for you.

☑ we offer very competitive pricing, so you know you're always getting the best quality at the fairest price.

☑ our experience has given us the skills to conduct quality, reliable repair work on a wide range of industrial seating, no matter what the brand.

☑ we carry a comprehensive inventory of spare parts. This enables us to conduct most repairs in the shortest possible turn-around time.

☑ we offer free quotes with no-strings attached.

☑ we also offer a trimming service, with a wide choice of colours and fabrics on-hand. This means we are able to re-trim your seat in your choice of trim in-house.

☑ we are committed to delivering exceptional customer service. Thus, if you are unable to come to us, we're happy to come to you.

# AIR 554B

## Heavy Trucks

- ▶ Suspension Type: Air 55 in 24 volt  
OR Mains Air
- ▶ Upper Type: T4 high back
- ▶ Belt Type: 554 - Lap belt  
554B - 3 point belt
- ▶ Suspension Stroke: 125mm
- ▶ Height Adjust: Vertical 60mm
- ▶ Weight Range: 50 - 150kg

Australia has some of the worlds toughest road conditions. The KAB 554B was developed, in conjunction with vehicle manufacturers, specifically to suit these harsh conditions.

In the transport industry the 554B has a strong history of use by vehicle manufacturers. In its early inception, it was standard fitment into Mack trucks. Presently, the modern KAB 554B is standard fitment (at the point of manufacture) by both Kenworth and Intertruck.

Compatible with the latest ADR's for heavy trucks, the KAB 554B is sure to meet your needs.
