

# CIVIL CONSTRUCTION

Wollongong City Excavation & Demolition prides itself on its commitment to safety, customer service, affordability, and knowledge. Backed by highly trained experienced staff and more than a decade of industry experience, you can rest assured that your project is in safe hands! Our services include earth moving, demolition, asbestos removal and civil construction, and we can tackle any size project!

Wollongong City Excavation & Demolition is a proud member of the Civil Contractors Federation. Backed by more than 10 years of industry experience, we have successfully completed more than 350 projects across the Illawarra and beyond! We pride ourselves in the quality and safety standards to which we operate

All staff are appropriately qualified with relevant licences, and undergo regular training and professional development to stay up to date with latest industry updates

Backed by licensed and highly experienced estimators, engineers, laborers and certified management and operations procedures, you can rest assure that your job will be completed to the highest industry quality standards, and you'll be informed every step of the way.

All our works are compliant with all relevant government and regulatory bodies, and no project is commenced without extensive risk assessments and safe work method statements.
