POWER EQUIPMENT

MEANS **BUSINESS**

Bushranger is here to stay. The newest additions to our shed-load of products are undeniably hard to miss. The Bushranger Spartan range boasts the sleekest design, with unmatched performance and all the bells and whistles. These units mean business, and so do we. As with all our products, these units have been tested extensively to suit the harshest conditions Australia brings. Get the job done quickly and efficiently allowing you to have more time to enjoy life's simple pleasures.

RZ SERIES

RZ-C

RZ-C42 / RZ-C54

SKU: BRURZ-C42
BRURZ-C54

A COMPACT SOLUTION WITH **BIG** RESULTS.

The Bushranger Spartan RZ-C range is the newest addition to the fleet. Including our smallest deck yet 42", these units are manufactured with the same fusion as our bigger zero turns at a price that won't break the bank. Don't be deceived, these little units aren't shy of hard work!

42" Deck Shown.

SAFETY FEATURES

ROPS
Rollover protective structure (ROPS) are an important safety feature to have on your mower. This feature provides peace of mind for extra safety in the unlikely event of a rollover whilst working.

SAFETY FEATURES

CONTROLS
The ergonomic controls ensure steering of the unit is precise and instant at all times.

ACCESSORIES

STRESS RELIEF PADS
Upgrade available on all models. (Standard on SRTXD).

FEATURES

ELECTRONIC KEYPAD
The days of the key start are gone! All units in the Bushranger Spartan range are equipped with an electronic keypad. This touch start keypad is an excellent anti-theft feature. It also boasts a soft start blade engagement, tachometer and programmable service intervals.

SAFETY FEATURES

ANTI-SLIP MATS
The anti-slip mats on each unit enables you to work on damp or dewy grass ensuring safe access on and off the mower. These mats are also extremely easy to clean.

FEATURES

SEATING
Comfort of ride is extremely important to us. All Bushranger Spartans offer top of the line seats, allowing you to work for as long as your heart's content.

ACCESSORIES

SOFT KNOB ADJUSTABLE ARMS
Upgrade available on RZ & RTPRO models. (Standard on all other models).

FEATURES

TOW HITCH & ENGINE GUARD (REAR OF UNIT)
Adding a tow hitch to your unit enables you to tow small loads, taking the backache out of any unnecessary heavy lifting.
The added engine guard ensures your engine is safe from any possible flying debris whilst mowing. The 'hot' labeled guard also serves as an important reminder, minimising risk of burns.

SAFETY FEATURES

SIDE STEP
The Bushranger Spartan range offers innovative features to ensure you get the job done safely and efficiently. Being able to step on the deck (all models) allows for easy access on and off the mower. An operator assist handle is available as an accessory.

ACCESSORIES

10" LED LIGHT KIT
Upgrade available on all models. (Standard on SRTXD).
