

hello

I'm Tense Venneri

Director, Licensed Estate Agent

Co-Director Tense Venneri is a classic example of an individual who has climbed the ranks of the real estate industry.

Having lived in Mildura his entire life, his exuberance and enthusiasm about the region, combined with his knowledge and innovative ideas set the benchmark for service to which others aspire to achieve.

A stalwart of the industry, Tense first entered real estate in 1992. In 2000 he moved into the role of Director, a position he remains in today.

A friendly individual with an exceptional work ethic, Ortensio strives to accomplish the highest possible standard in all he does. This is not only what is expected by clients, but the standard of dedication and quality service expected of all team members at Barry Plant Mildura.

With his professional and ethical approach, Ortensio aims to break the stereotypes often associated with the real estate industry. He achieves this goal through leading by example, active industry involvement and extensive knowledge. His qualifications include being a Licensed Estate Agent in both Victoria and New South Wales, and a renowned Auctioneer.

Described by friends as a trustworthy person with a great sense of humour, Ortensio's "away from work"

interests include overseas travel, socialising with family and friends, great food and fine wine.

Enjoying the Mediterranean way of life, Ortensio strives to keep fit through regular exercise so that he can continue to take pleasure in great food and fine wine for many years to come. A community minded individual, Tense also enjoys lending his time to various organisations by conducting charity auctions when required.

With Tense Venneri and his award winning team at Barry Plant Mildura working on your behalf, you can be sure that your property is in the very best of hands.
