

Residential Locksmith

Access Locksmiths provide an extensive residential locksmith service, from the smallest job like a lockout service to rekeying an entire new home with upgrades, to windows and doors with deadlocks and windows locks.

Access Locksmith Blacktown covers the entire western suburbs, northern, southern and Sydney CBD with 6 mobile workshops ready to fix all locksmithing needs. Services include supplying and installing of deadlocks, window locks, screen door locks, garage door locks, gate locks, padlocks, door closers, door chains, peep holes, rekeying of existing locks and changing combination of existing locks, lockout service, and emergency 24 hour service.

Access Locksmiths also have a huge selection of garage remotes in stock at our showroom in Blacktown. We can supply and program most domestic roller and tilter door remotes.
