

Excavator & Bobcat Hire

A.B.N 25 123 187 539

Company Profile

Specialising in earthworks performed with an environmental awareness, Rhino Excavator and Bobcat Hire offers clients personalised excavation services performed by a highly skilled and experienced owner operator, Paul Huxham.

Paul is a locally based operator that has worked in the earth moving industry for over ten years and specialises in sustainable earthmoving solutions.

Rhino Excavator and Bobcat Hire is appropriately accredited to operate in Queensland and considers quality, health, safety and the environmental management paramount to how it operates. Paul aims to maintain strict safety standards in the operation of all his machinery.

Equipment

Using superior late model equipment Rhino Excavator and Bobcat Hire aims at delivering a sustainable footprint with lower emissions, lower energy and fuel consumption, and with greater work efficiency and productivity. Paul's equipment has the latest level of safety features available.
