

# Patio Pick Me Up

Get your outdoor spaces looking gorgeous with our Patio Pick Me Up.

For an average (50 square metre) patio, we'll dedicate 3 hours transforming your outdoor room into a space ready to enjoy.

## Our services include:

- Remove reachable cobwebs
- Brush down windows, door tracks, corners and all outdoor furniture
- Dust all surfaces
- Blow down pavers or concrete
- Wipe dry windows and furniture
- Hose down the area
- Move chairs, light furniture, small pots and door mat
- Bang dust out of cushions, lounges, mats and fabrics
- Return all furniture and pots

Plus, we'll add a few final touches so it's ready for relaxation.

For larger spaces and those with outdoor kitchens, allow 4 hours.

If you'd like us to scoop the leaves from the pool, dust the fans, repot your plants or clean the pool fence – we can do that too! Just add extra time to your booking so we can cross everything off your to-do list in one hit.
