TESTIMONIALS

"I want to thank you for your prompt attention to this issue and prompt resolution. It reflects the professionalism of Taylor and Sons. Your support, service and attitude is appreciated and will ensure my next plumbing job will go to Taylor and Sons and when people ask me for my advice on what Plumbing Company I would recommend, my answer will be Taylor and Sons."

Alain of South Yarra

"This is the second time I've used Taylor & Sons after a very good first experience. Our hot water system died on Saturday so I called them and got through to their after hours service. They immediately ordered a new unit and had it installed by Sunday afternoon. I was once again impressed by their workmanship and fuss-free ... approach. Their promptness was welcomed by the whole family because we weren't without hot water for too long. They even organized the collection of the old unit. Reliable, efficient and professional service - I highly recommend Taylor & Sons."

Chris of Wantirna

"Extremely happy with the level of service I received from Taylor & Sons. From the very first phone call to the dedication of the plumber on site was excellent. I also very much appreciated the 30 minute courtesy call. Highly recommend them and will be using them again for future plumbing needs."

Lisa of Hampton

"Courteous & professional service, & well organised booking system. I am new to the area and have no local trades, so am happy to have found a good plumber. Highly recommended."
