Fast

Reliable

## Colour LED Printer with Networking Capability

The HL-3150CDN is the compact, high quality colour printer offering wired connectivity and 2-sided printing for the small office.

- Fast Printing - Up to 18ppm colour and monochrome printing

- Save Money - Automatic 2-sided (duplex) Printing

- Convienience - Print without PC using mobile print

- Easy Sharing - Connect with multiple users via wired network

- Reduce Running Costs - Choice of high-yield colour toners for heavy print volume
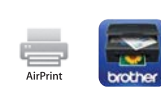

# HL-3150CDN

The HL-3150CDN offers fast and efficient colour and monochrome print speeds of up to 18 pages per minute. What's more, with the automatic 2-sided printing feature, you can print on both sides and save on costs.

Plus, you can share your printer easily with other users by connecting it via the built-in network. With the mobile print capability, you can print your documents from your mobile without the use of a PC.

Brother's high-yield toner cartridges will enable you to enjoy a lower cost per page for large print volumes. For greater efficiency and more cost savings, Brother is your preferred choice.
