

BANKING & FINANCE

IN ORDER TO FIND THE CORRECT STRATEGIC PATH FOR YOUR BUSINESS, A CLEAR UNDERSTANDING OF THE MANY DIFFERENT OPTIONS AVAILABLE IN THE HIGHLY REGULATED FINANCIAL SERVICES INDUSTRY IS INDISPENSABLE. MAHONS WITH YUNCKEN & YUNCKEN LAWYERS PROVIDE HIGH QUALITY ADVICE TO ITS CLIENTS WITH ALL BANKING & FINANCE RELATED LEGAL MATTERS.

At one time or another, all businesses find that they need to either borrow from or lend to other parties in order to maintain growth and profitability. However, understanding the many different options available to finance can be clearly difficult as the financial services industry is very complex and highly regulated.

While it is true that the laws of banking and finance are among the oldest and most complex in Australia, you don't have to tackle them on your own. Mahons with Yuncken & Yuncken Lawyers is one of the leading law firms in the field of banking and finance law with a deep pool of experience. We act on behalf of corporate borrowers, financiers and many others, building a body of experience which is invaluable to your business.

Our Banking & Finance team is well reputed for its practical and commercial approach. We provide our clients with advice on the legal aspect of large, complex banking and finance transactions, giving guidance to help navigate through the complex and highly regulated world of financial services. Our Banking & Finance team can give you and your business a clear understanding of all your available options, to enable you to minimise risks and make informed decisions.

Mahons Lawyers Banking & Finance team provides advice on a broad range of banking transactions and advice to both borrowers and lenders, including:

- syndicated, club and bilateral loan facilities and all related security issues, including PPSA;
- asset finance and equipment leasing;
- real property finance;
- workouts and debt reconstruction;
- acquisition finance;
- receivables finance;
- derivatives; and
- enforcement of securities.
