IN ALL THE BEST PLACES

## HOTELS, LANDMARKS & AUSTRALIAN HOMES.

**RAYMOR HAS A RICH AUSTRALIAN PAST, HONoured NOT ONLY FOR ITS HISTORICAL PERSPECTIVE, BUT FOR THE WAY IT POINTS TO THE FUTURE.**

For 60 years, Raymor has been synonymous with beautiful simplicity.

From sleek, smooth classical lines to contemporary class, Raymor is proud to have played a leading role in creating the character of our bathrooms, laundries and kitchens.

A central element both in national landmarks – such as Parliament House and the Australian Defence Force Academy in Canberra – and the typical Australian home, Raymor has played a leading role in defining the style of the day. From austere post-war Australia to the psychedelic Sixties and the minimalist noughties, Raymor has been present and counted on as a constant.

The march of time, however, has not altered our founding values. Elegant design, fine engineering, remarkable reliability, low maintenance and magnificent value for money remain our hallmarks.

As a result, we remain a premier choice for Australian architects, plumbers and homeowners, and have earned, along the way, a deserved reputation as a national icon.

Understandably, then, Raymor is on permanent display at the Powerhouse Museum in Sydney – just recognition of our centrality in creating the character of Australian homes and landmarks.
