

Townsville Graded Sands...Keeping you going with Quality Products and Service

Top Soils

AS4419 Loam

Australian Standard Loam AS4419. This organic enriched soil has good drainage properties with high nutrient value and is sandy in texture.

This ready to use soil is ideal for:

- Bulk planting of shrubs and trees
- General landscaping

Screened Sandy Loam

Low in phosphorous but high in nutrients, native plants will thrive in TGS Sandy Loam. With its high sand content ensures drainage with minimum compaction. Ideal for:

- Ground levelling
- Base for your gardens
- Under turf

Top Soil

A finer product used for topdressing lawns.
