enjoy+

+

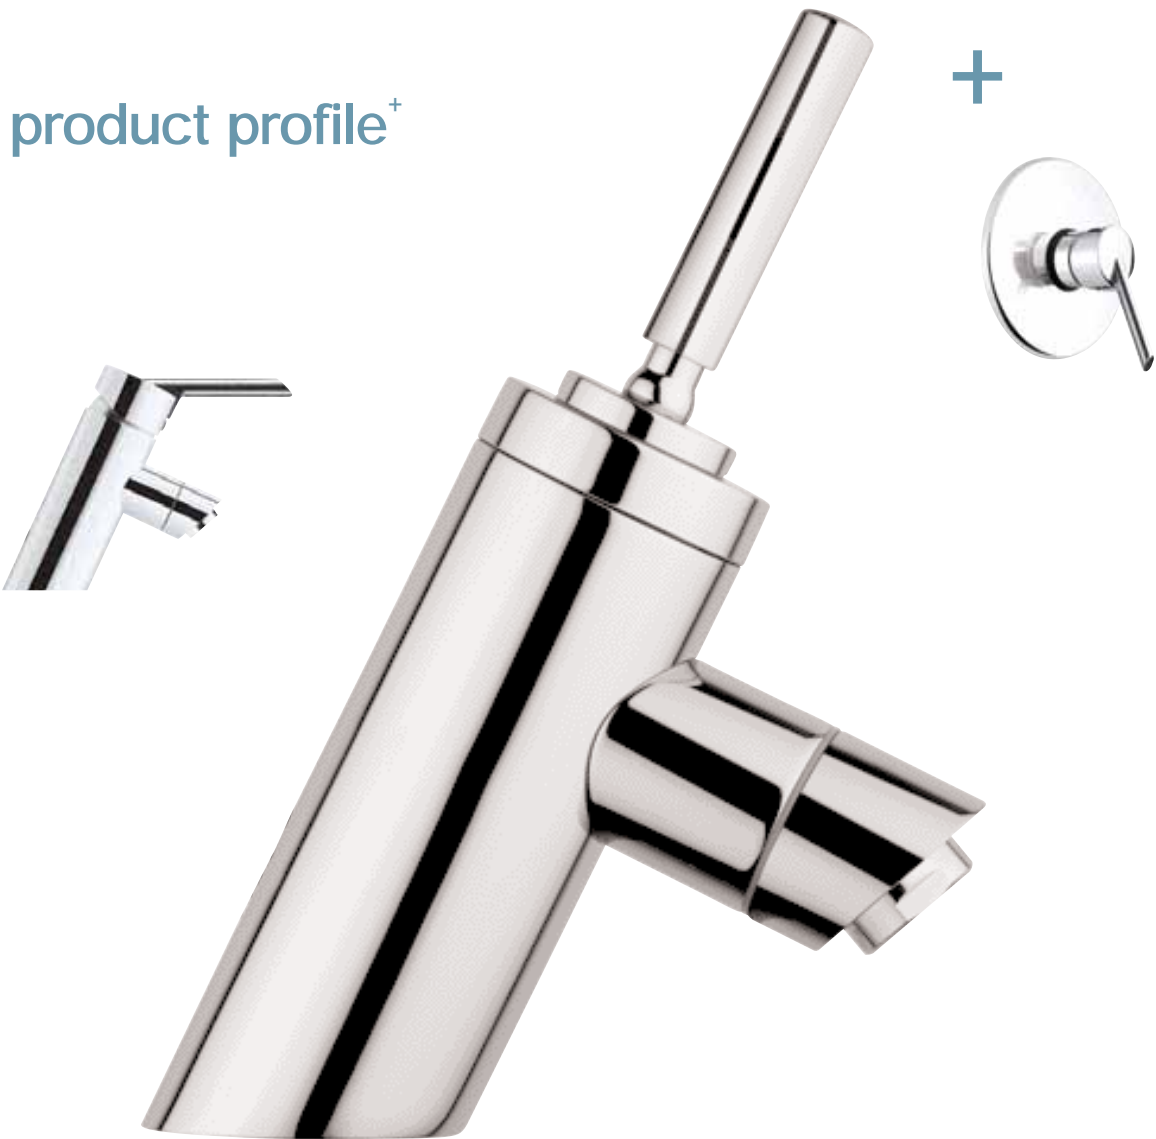

Your bathroom is a  
space to enjoy +  
an environment that  
invigorates the body  
and refreshes the  
soul. With careful  
planning and clever  
product selection,  
you can create a  
look that is as  
individual as it is  
beautiful. Each and  
every piece from the  
Reece collection can  
be integrated to  
achieve a designer  
look for your  
bathroom, a true  
highlight within  
your home.

# Teknobili

Teknobili represents the cutting edge of contemporary style. As comfortable in a gallery as a modern home, the range takes forward thinking design to a new level. Form and function merge effortlessly to deliver a tapware collection of unsurpassed quality.

product profile<sup>+</sup>

## Teknobili Plus

Plus mixers and accessories perfectly balance form and function to create a collection that's aesthetically beautiful while remaining ergonomic. Each piece captures the very essence of minimalist design. The highest attention has been paid to the use of materials, total control over the manufacturing process expressed through pure symmetry.

# Caroma Milan

Milan, like Paris instantly creates a vision of fashion, style and sophistication. The Caroma Milan range is true to its name - a dramatic and exciting range of bathroom furniture and tapware that captures the essence of European design and craftsmanship.

product profile<sup>+</sup>

Designer - David Chipperfield

## Ideal Standard Chipperfield

Concentrating on simple, elegant forms, David Chipperfield's collaboration with Ideal Standard has resulted in the creation of this outstanding line. Through this collection, David Chipperfield has once again cemented his place at the forefront of modern design.

## enjoy space

Space is about openness and the freedom to move. Here a Posh Dominique spa is used in an island setting, creating a feature around which everything else revolves. Cool tones and unobtrusive fittings accentuate the open, inviting quality of the room.

## enjoy life

The bathroom is a sanctuary within the home. A place where one can escape the outside world to relax, rejuvenate and reflect. Here a delicate balance of light, colour and texture combine to create a most tranquil effect. The beautiful Ideal Standard Expression basin and toilet have been wall mounted, achieving an excellent use of limited space.

## enjoy light

Light evokes feeling. Careful consideration should be given to how light will work within a room. Here we see warm natural light accent each feature, bringing the space to life. The Scala tapware, Milan spa bath and Cubline vanity combine to achieve a superbly finished look.

## enjoy luxury

Luxury is an indulgence of the senses. It's uncompromising quality. Here soft whites and natural tones meld into spaciousness and purity. Matching Alape AB7 basins introduce an understated elegance to the bathroom. High quality fittings like the Nobili basin mixers complement the luxurious theme.

## Alape White + Absolut

The White + Absolut collections represent total purity of design. Utilising elliptically inspired forms and bold, concise angles, each is a unique expression of simplicity and elegance. All basins are crafted from a single seamless sheet of steel before being fired with a high quality porcelain enamel glazing known as Ceramostahl.

product profile<sup>+</sup>

# White Stone

In recent years the bathroom has become a living space for expression and enjoyment. New and exciting solutions are continually evolving. White Stone's answer is splendidly unique **washbasins** - exploring ideas that contribute today and in the future, to beautiful and highly personal bathroom products.

# Ideal Standard Cerawell

For over a century, Ideal Standard has brought innovative design to the bathroom. The Cerawell shower range is a natural extension of this philosophy. Advanced technology ensures smooth flawless operation, while the clean contemporary lines offer enviable style and sophistication.

product profile<sup>+</sup>

# Scala

Designed to accentuate the minimalist feel within the bathroom space, Scala tapware is a statement of pure style. Superbly finished in deep chrome, each individual element has been carefully crafted to achieve a balanced and harmonious presence. Scala offers total expression and complete flexibility for creating the look you desire.

product profile<sup>+</sup>

# Ideal Standard Mainsflush

Mainsflush combines advanced touchpad technology with striking minimalism to create a new world of design possibilities for your bathroom. Utilising revolutionary sound wave technology, the discrete Mainsflush system eliminates the need for a conventional cistern, making it perfect for elevated or small space environments.
