STRATCO  
PAVILION™

*Alfresco living redefined*

# PAVILION<sup>™</sup> GRANDE

## ALFRESCO LIVING REDEFINED

### CLASSICAL ARCHITECTURAL PROPORTIONS

Experience outdoor living like never before with the unparalleled aesthetic of Pavilion. The classical architectural proportions of Pavilion created by larger columns and bulkheads, and the distinctive Edge gutter, respond to emerging trends for a more substantial looking structure.

### CONTEMPORARY PALETTE OF COLOURS & FINISHES

The contemporary palette of colours and finishes of Pavilion has been inspired by nature, reflect the earthy hues of the Australian landscape, and compliment the raw materials featured in today's architecture.

### METICULOUS ATTENTION TO DETAIL

With meticulous details such as Aluminium Composite panels (popular in many commercial buildings and architectural projects), integrated LED lighting and concealed fasteners and downpipes, Pavilion adds an element of sophistication, elegance, and glamour to outdoor living.

### INSULATED COMPOSITE ROOFING

The smooth ceiling like finish of the insulated composite roofing further enhances the clean, contemporary design and thermal comfort of Pavilion.

*Hidden fixings ensure a clean appearance*

*Range of lighting options integrated into the structure*

*Cooldek insulated roofing*

“ This is so much more than just an outdoor living area, this is... alfresco living redefined. ”

# STRATCO PAVILION GRANDE™

## A DRAMATIC SENSE OF OPENNESS AND SPACE

Engineering capabilities have been optimised to minimise the number of columns required and maximise roof spans, giving Pavilion a dramatic sense of openness and space.

## SO MUCH MORE THAN JUST AN OUTDOOR LIVING AREA... ALFRESCO LIVING REDEFINED

Suitable for new builds and retro-fit applications, freestanding or attached, Pavilion will assimilate with and enrich any home environment.

## IDEAL FOR COMMERCIAL PROJECTS

The extremely wide spans and integrated lighting of the Pavilion Grande make it perfect for commercial projects such as cafés, restaurants, hotels or any outdoor meeting space.

*Flexible design allows choice of freestanding or attached to house*

# PAVILION<sup>™</sup> SLIQUE

## SOPHISTICATED ELEGANCE

Pavilion Slique offers all the outstanding aesthetics that have defined Pavilion as the benchmark in stylish patio design. With slimmer proportions and unrivalled architectural appeal, the Pavilion Slique is absolutely perfect for executive townhouses or urban homes. Bringing a new level of sophistication to your alfresco lifestyle.

### CLEAN ARCHITECTURAL CONTOURS

The timeless appeal of Pavilion Slique draws on classical architectural proportions, with substantial columns, proud bulkhead and distinctive Edge gutter. Offering you a simply beautiful environment for your outdoor lifestyle.

### CONTEMPORARY ROOFING OPTIONS

You can select from the smooth ceiling-like finish and thermal performance of Cooldek insulated roofing, or the clean spans of Stratco's Slique Deck in a range of colours. Both offer a clean modern appeal.

*Choice of insulated Cooldek or Slique Deck for your ceiling*

*Hidden fixings ensure a clean appearance*

*Range of lighting options integrated into the structure*

“Pavilion adds an element of sophistication, elegance, and glamour to outdoor living.”

# STRATCO PAVILION *Slique*

## DAY AND NIGHT LIGHTING

To create the right ambience for your alfresco lifestyle, a range of integrated, dimmable LED lighting options are available for your Pavilion Slique or Grande.

Day lighting under any Pavilion is also enhanced by the inclusion of Cooldek Cool Light which captures cool, free sunlight to enhance your daytime enjoyment.

Other sunlight options are also available which can be discussed with your Pavilion consultant.

## INTEGRATED SCREENING

Ambient Outdoor Blinds integrate seamlessly with Pavilion to offer you a beautiful range of solutions to outdoor lifestyle issues such as sunglare, heat control, UV protection, privacy, and even insect control. To further enhance your lifestyle, all year round.

*Ambient Blinds integrate beautifully with Pavilion Slique and Grande*

# PAVILION™ ALLURE

## STUNNING ARCHITECTURAL APPEAL

### INNOVATION IN OPENING ROOF PATIOS

Presenting the latest addition to the Stratco Pavilion range - Australia's most desired alfresco brand. The Allure offers you the very best in all-season alfresco living with remote controlled opening louvres and a flat ceiling appearance when closed.

The Allure has an impressive architectural appeal with clean lines and low profile fixings in a range of popular colours to accentuate any home. It is sure to be a hit when entertaining, and bring a smile to your face when enjoying your quiet outdoor space.

The Allure is brilliant for rain, shade and ventilation control anytime of the year to maximise your outdoor enjoyment and genuinely extend your outdoor living season.

### MODERN DESIGN

Designed with smooth angular lines and solid posts and beams to give an impressive architectural appeal. The 250mm high beams and internal gutter give a clean bold appearance, while the countersunk, colour-matching screws and low profile bracketry show a market leading attention to detail. Allure combines the best of sleek modern design with a versatile outdoor living space.

### ULTIMATE SUNLIGHT CONTROL

With the remote control you can precisely adjust your louvre angles to control sunlight levels in your outdoor living space. From blocking the dazzling summer sun, to welcoming the warming winter sun - you have complete control at your fingertips.

*Clean lines provide an impressive architectural appeal*

*Precisely control the level of sunlight you desire*

*Closed louvres provide a beautiful ceiling appearance*

“ The very best in all-season alfresco living with remote controlled opening louvres and a flat ceiling appearance when closed. ”

# STRATCO PAVILION ALLURE™

## SUPERIOR RAIN PROTECTION

Designed with excellent water management in mind, the Allure louvres have very deep side channels which direct water flow to smartly designed internal box gutters and away through downpipes. The rain sensor automatically closes all louvres at the first sign of rain, providing market leading rain and weather protection.

## EXCELLENT VENTILATION

With your Allure louvres partly open, you can effortlessly manage the refreshing airflow in your outdoor living space. Angle toward the prevailing breeze to push air in and down, or angle away from the breeze to allow fresh air circulation. Enjoy a fresher outdoor experience anytime you want without losing any comfort.

## ATTRACTIVE FLAT CEILING

The reinforced, one piece extruded louvre doesn't warp, buckle or twist, and the anti-rattle weather strips inside each louvre overlap to provide a flat ceiling underside. This, combined with the 200mm wide gloss coated underside, provides a genuinely beautiful ceiling appearance.

## SUPERIOR PERFORMANCE

The Allure has been specifically designed using all aluminium and stainless steel components to provide excellent durability, in particular in coastal locations.

## THE BEST OF OUTDOOR ENJOYMENT WITH AUTOMATIC RAIN PROTECTION

# PAVILION™ ALLURE

## ALL SEASON WEATHER CONTROL

### FULLY STRATCO ENGINEERED

Every Allure is fully engineered and independently certified from the footings to the house attachments, and quoted in a very council friendly format. Each Allure can be customised to your requirements in an incredible variety of options - including wall or fascia attached, flyover or alcove options, or even freestanding designs.

### COMMERCIAL PROJECTS

A single Allure unit can cover an impressive 24m<sup>2</sup>, and a number of units can be joined together and operated by a single (replaceable) remote control. Available in the standard colours shown or in a wide range of custom colours to suit each project, or even in Aluminium mill finish. Perfect for a versatile entertaining area in restaurants, hotels, or apartment blocks.

### FULLY INSTALLED or DIY

The clever design of Allure, with simple connection methods, combined with comprehensive installation instructions, make Allure suitable for an experienced do-it-yourselfer. Alternately, Stratco Authorised Dealers can manage the full installation process including council applications and house attachment details, and offer a 1 year installation warranty for complete hassle-free peace of mind.

# STRATCO PAVILION

## PAVILION ALLURE

15 YEAR STRUCTURAL  
15 YEAR PAINT FINISH  
1 YEAR INSTALLATION

**PAVILION ALLURE**  
WARRANTY  
(ACN 007 550 754)

2.3 Liability for Installation  
If Stratco determines that the claim is valid within one (1) year from the date of installation, the cost of repair or replacement will be met by Stratco in full.

2.4 Liability for Pavilion Allure Controller Unit  
If Stratco determines that the claim is valid within two (2) years from the date of installation, the cost of repairing or replacement will be met by Stratco in full.

**3. Exclusions from Warranty**

3.1 General  
The warranties given will not apply to the following:

3.1.1 Any Product that has not been properly protected against damage prior to and during installation in accordance with all instructions contained in the Stratco brochure entitled "Selection, Use and Maintenance of Stratco Steel Products", or any instructions contained in any like brochure that may have been published by Stratco in the date of installation.

3.1.2 Detects or damage caused by any fire or more of improper installation, buckling, fire, accident, abuse, mismanagement, neglect, unauthorised roof traffic, storm damage, acts of God, incompatible materials, overflow from air conditioners, poor drainage, insufficient case or enclosure to acidic or corrosive or other abnormal conditions.

3.1.3 Any Product which has been installed other than in accordance with the plans and specifications issued by Stratco for the installation of the Product applicable in the time of installation.

3.1.4 Any Product to which paint, varnish, enamel or any other coating or compound has been applied by any person other than Stratco or compound has been applied by any person other than Stratco.

3.1.5 Any Components of the Product (including columns, posts and roof fastenings) which are or have been at any time in contact with soil, fertiliser, sand, gravel or wet timber, plant or garden materials, any substance, rim or product that may retain moisture against or to the Product or in relation to any failure or damage of or to the Product caused or contributed to by such contact.

3.1.6 Any Product the design of which has been modified after submission to Stratco for supply of materials.

3.1.7 Any Product where drainage fall does not comply with Australian or New Zealand Standards.

3.1.8 Any Product which does not comply with Stratco Pavilion Allure Span Tables and any subsequent revisions or advice issued by Stratco.

3.1.9 Any Product to which items are attached (whether permanently or temporarily) that exceed the design loading allowed by Stratco engineers in calculating Stratco Pavilion Allure Span Tables.

3.1.10 Any Product with a wind loading different to that advised to Stratco at the time of ordering the Product.

3.1.11 Any Product with water leakage, or consequential damage caused by movement of water, either within or from the Product or any attached buildings or structures.

3.1.12 Any Product to which a screen enclosure or one or more walls, screens or blinds have been added subsequent to the original design in accordance with any and all applicable Stratco specifications and Published Pavilion Allure Span Tables at the time of addition by Stratco or an Authorised Dealer and using Stratco materials.

**3.2 Stratco Materials**

3.2.1 Notwithstanding any provision to the contrary, this warranty shall have no force or effect unless all materials comprising the Product have been supplied by Stratco.

3.2.2 This warranty applies only to the Product and does not apply to any other "Pavilion" branded product manufactured or supplied by Stratco and specifically excludes Pavilion Downlights, Pavilion Ceiling Fans and Heaters, or any electrical accessory of any form.

**3.3 Time Limit**  
Notwithstanding any other term or condition of this warranty, no claim under this warranty will be accepted unless:

3.3.1 the Product has been installed within thirty (30) days from the date of delivery to the place of installation;

3.3.2 the warranty card is registered with Stratco within thirty (30) days from the date of installation, and an invoice number or appropriate proof of purchase is included with such registration; and

# STRATCO PAVILION™

## STANDARD ALLURE LOUVRE COLOURS

All Allure components are coated in a durable, gloss powder coating in a choice of popular colours. Or you can opt for a custom colour to match your décor. An uncoated Aluminium version is also available for special projects.

## CUSTOM ALLURE LOUVRE COLOURS

As a special option, there are a wide range of custom colours available in standard powder coating to suit your style preferences. Speak to your sales consultant for more information.

## LOUVRE COLOUR PROTECTION

### STANDARD PROTECTION

Standard powder coating finish provides a 10 year paint finish warranty<sup>#</sup> when located greater than 100m from a salt water body.

### SPECIAL COASTAL PROTECTION

For coastal locations, a special 'Severe Environment' powder coating is available in some colours as an option. This offers a 10 year paint finish warranty<sup>#</sup> for the ultimate protection when located no closer than 50m to breaking surf. 'Severe Environment' powder coating provides a more matt finish than standard colours.

<sup>#</sup>Regular maintenance and washing forms part of the warranty conditions. Other conditions also apply. Please refer to the Allure Warranty document for full details.
