BTW, Janet thinks that you are just fabulous. She says that you are a breath of fresh air to deal with. I agree. Thanks to both you and Steve for the excellent service that we always get from Accurate Tree Services.

Thanks, the men came today, great job, cleaned up afterwards, nice crew.

The tree lopper was nice, he cut the trunk of the Shiptons Flat tree with my stags attached to a nice piece of trunk, and put it into the pot I was going to use for it, was appreciated. I couldn't have managed it in my own.

Thanks, would have no hesitation recommending your company to anyone I know who needs work done.

Regards

Joan

Hi Bylinda,

Thanks for the great service you and your team gave, the crew left our place spotless, so except for the missing trees you would not even know they had been there. Will definitely call again if we need anymore 'tree' things.

Regards,
Danny

Thanks Bylinda,
They did a great job and very tidy after :)

My other half has a few jobs coming up that will require onsite tree clearing. We'll make sure we call you first!

Best regards,
Sue

Hi Bylinda

Wow! What awesome service! Hubby came home last night and said "when did they do the tree?" I hadn't even noticed with the kids in the car. Great job, will be recommending you to anyone requiring tree trimming.

Love your work!

Thank you

Well, oh my goodness! This has been the best experience! Your guys are efficient, polite and quick. I really can't believe that I can make a call a day ago or so and by this afternoon, and a bit earlier than 5pm as well, have the trees removed, tidied up and the roots of those pines poisoned with commercial grade poison. My son is going to be over the moon. From EVERY room of this house, the view is now totally enhanced, EVERY room! How cool is that? Take care and again, thank you very, very much .

Thanks Marina

Just wanted you to know that your men did a absolutely brilliant job on our back yard. Could not be happier than to recommend your company. Thank you so much.
