## LEAFGUARD RANGE

## Tired of blocked gutters?

Ace Gutters Leafguard is the solution.

Easy to install  
10 year warranty  
Available in all colours from  
our Ace Colour Range

# PRODUCT FEATURES

No more blocked gutters & downpipes

Ace Leafguard is manufactured in Australia from highly corrosive resistant 0.55mm BMT steel then powder coated ensuring:

- no exposed edges
- superior protection from the harsh Australian conditions
- surface specially designed for debris egress
- high quality powdered paints applied (Dulux & Interpon)

Specially designed and engineered apertures and channels for maximum water flow and catchment. Aperture size is 6mm x 3mm.

## Rural Fire Brigade Compliant

- Aperture sizing
- Installation procedure
- CSIRO tested with an index rating of "0" for flammability and ignitability
- Non combustible

Leafguards are available in all of the most popular gutter and roofing profiles:

- Quad
- Half Round
- Roundline
- Corrugated Roof
- Valley Tile & Valley metal

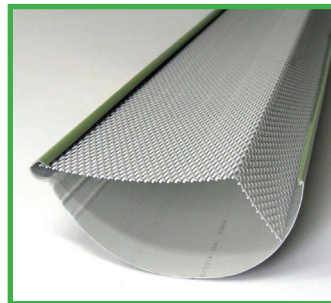

Custom made leafguards are also available (drawings required)

## ACE RAINWATER PRODUCTS

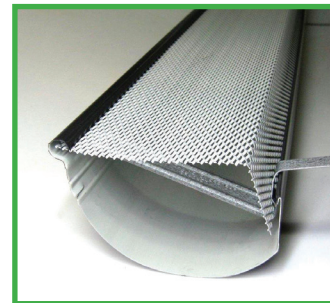

Ace Gutters manufacture an extensive range of rainwater products to suit all of your guttering needs. Ace Rainwater Products are manufactured in Australia from DURAKOTE® Pre-Painted Steel and are backed by a 20 year warranty.

We offer 6 modern gutter profiles, steel fascia, fascia cover, downpipes and all accessories to complete your gutter renovation
