

# \$1000

Free dental for eligible children every 2 years

## Child Dental Benefits Schedule

The Child Dental Benefits Schedule, or CDBS, is a government initiative providing \$1000 of free dental benefits to children aged two to seventeen who meet the eligibility criteria. This \$1000 will be valid every two calendar years and continue until the child is over 17 years of age.

**Jones Dental** proudly supports the CDBS scheme by bulk billing treatment for eligible children. Please call us for more information, to have our receptionists check your child's eligibility with Medicare and to make an appointment.
