

## Insurance Coverage

---

As a responsible provider of electrical services and plumbing to Melbourne customers, Twin Electrics & Plumbing carries all the relevant protection coverage.

We hold business insurance with a public and products liability of \$20 million, as well as NECAGuard Master Professional Indemnity Insurance of up to \$5 million on any one claim (\$20 million aggregate), NECAGuard Master Management Liability Service, and Workers Compensation and Workcover protection.

We ensure that we are always insured for everything we do, so that we can conduct electrical maintenance and plumbing services secure in the knowledge that both you and we are protected.

Contact us if you have any questions about our coverage.
