

LANDLORD INFORMATION

John Cook Real Estate have long been market leaders in property management in our area. We can advise on current rentals for your property type and area and then set a rental rate to give you the greatest return on your investment. We take the hassles out of managing your property.

When you choose John Cook Real Estate to manage your property you are choosing a professional property management company that understands your needs.

We understand that to maximise the return on your property you need a professional property manager. We understand the importance of your rent being paid on time and in full. We understand that you want to minimise outlays while maximising your income & we understand the importance of keeping you informed. We know you need to be kept aware of all developments affecting your property. Our team is accountable for keeping you informed at all times.

Please call us anytime with any questions you may have.
