About Us

DR WINNIE TANG

Dr. Winnie Tang graduated from The University of Queensland in 1999 with first class honours. After graduating, she worked in various government dental clinics and private dental practices in Brisbane. For the past 9 years, she has been working at Market Square Dental Group in Sunnybank before she established Carindale Dental in 2011.

Winnie enjoys all aspects of general and cosmetic dentistry, with special interests in orthodontics and invisalign. She regularly attends continuing education courses which allows her to acquire the knowledge to perform complex treatments. She is a member of the Australian Dental Association. She is also a registered invisalign provider. Many of her patients loves seeing Winnie because of her gentle nature and also because of the quality of dental treatment provided.

Outside of work, Winnie enjoys spending time with her husband and her two young children.
