

LITIGATION & DISPUTE RESOLUTION

FROM DEBT COLLECTION TO HANDLING COMPLEX, HIGH VALUE, MULTI-JURISDICTIONAL DISPUTES, OUR RESULTS DRIVEN & HIGHLY COMPETENT & EXPERIENCED LITIGATION TEAM WHICH INCLUDES COMMERCIAL LITIGATION SPECIALIST CAN SOLVE YOUR PROBLEMS

Mahons with Yuncken & Yuncken Lawyers Litigation team has many decades of legal problem solving experience since 1929. Our Litigation & Dispute Resolution team is highly experienced in its approach to risk management and dispute resolution. Our attitude is that litigation should always be used as a last resort because of the time and expense it entails.

Whilst litigation is sometimes inevitable, at Mahons with Yuncken & Yuncken Lawyers, we are always careful in applying the 'cost benefit analysis'. Therefore, our emphasis is on alternative dispute resolution due to the time-consuming and costly traditional litigation process.

However, when the need arises we are extremely well equipped to conduct complex litigation across all jurisdictions including the Federal Court, Family Court, Supreme Court County Court, Magistrates Court Administrative Appeals and other Tribunals.

Our Litigation & Dispute Resolution team is headed by an accredited commercial law litigation specialist and the team provides highly specialised & accurate legal services.

We pride ourselves in thinking "outside the square", being problem solvers and being accessible. Our approach is to work alongside you, and to provide the best possible advice at all times.
