DP Landscaping & Design (trading as Dale Pickering Landscaping & Design) Shoalhaven, Nowra, Berry, Kiama, Kangaroo Valley, Jamberoo

Started in 1996 by Dale Pickering, the business employs ten members, passionate about creating and maintaining beautiful gardens and outdoor living spaces.

Working closely with both Sydney based and local architects, large construction firms and rural and residential property owners across the Shoalhaven and surrounding areas, Dale's experience in the field of landscape gardening spans the last 20 years.

Our qualified team is dedicated to producing unique landscape settings, through careful planning, professional construction, and follow up maintenance. A complete landscape service ensures each individually designed project, built to the highest standard, flourishes to its full potential.
