

TESTIMONIALS

What our clients are saying about us

"I have known Mahons Lawyers for over 20 years, both as an investment client and a business associate, specifically in the area of trusts, wills, probates and estates. Anthony is always a pleasure to deal with: honest, prompt and professional. I would have no hesitation in referring my clients and friends to Mahons Lawyers and his legal team in the knowledge that they will receive professional and competent service and advice"

— Zoya, Vice President, Financial Adviser

"Over a period of the past 25 years, we have had the privilege of knowing and doing business with Anthony Mahon. Most of our legal requirements have been with Anthony liaising with our accounting firm Banks Group, in the structure of our companies, purchasing of properties, superannuation, our Wills, including advice on retirement and 2nd generation progression of our companies. Also any formal franchise agreement we may use in our companies, is first viewed by Anthony and consequently he advises us accordingly. Anthony takes pride in his business and he is a true professional in his business decisions and always has a smile and a welcoming handshake to greet you. We would highly recommend Anthony's services and regard him not only as a professional business person running his firm, but as a true friend and supporter of our achievements."
