

# Transcorp -Pre Move Assist Service

Expert help to get you well prepared in advance for your move with Transcorp Removals & Storage.

## How we help – Making Your Move Easy:

- **Kitchen and laundry** – clean and make white goods and appliances ready for transit. Food sorted into what to take or discard.
- **Priority moving carton** – put aside valuable items like remote controls, shelf supports, keys and furniture assembly instructions.
- **Sort items according to their destination** – organize items to accompany you personally, those going into storage or to be transported by our removalists to your new home.
- **Separate items not to be packed** – travel documents, important work and personal files, jewellery, mobile phones, electronic devices, cables and power adaptors, medicines and prescriptions.
- **First night survival kit** – an essentials kit with kitchen items, toiletries, bed linen, nightwear, clothing, children's favourite toys and foods, pet needs, tea/coffee, cups, bowls and cutlery, toaster and kettle.
- **Declutter** – independent, experienced advice to help you sort and identify what you don't need to take with you for your move. Giveaways and excess items organized for family, friends and charities.

## Benefits to you:

### Save time, reduce the stress and effort of your move

Our pre-packers are friendly and mature with plenty of moving experience. They will work quickly and efficiently to get everything ready to move before your removal crews arrive. A Pre Move Assist can save you weeks of preparation time and minimize the disruption of any size move.

### Focus on the important things

With the sorting and organizing being done for you, you can focus on other priorities like family and essential services for your home.

### An organized move is a quicker, better move

If you are totally ready when our removal team arrive to pack/move your belongings, the move will run more efficiently potential saving you valuable time and money!

### Help for as long as you need

Typically our Pre- Packing Service is charged at an affordable hourly rate, with a minimum of two pre-packers for four hours (approximately 30-40 boxes can be packed in this time), extendable at any time. Choose as much packing help for your move as required. If we are only packing a hand full of boxes then in may be possible to be performed by our removal teams as an hourly rate on the actual move day itself.

Save time and reduce the stress of your move.
