

## PROFESSIONAL SEMI-TRAILER REPAIRS IN MELBOURNE'S WESTERN SUBURBS

### IF YOU OPERATE HEAVY TRANSPORT EQUIPMENT

**At some point, you'll require auto-servicing. When you do, it pays to go to a reliable professional.**

**Whether you need repairs, or simply want a service to avoid future problems, it's important to have someone you can go to for efficient service you can trust.**

**From brake relines, sourcing parts and trailer wiring, to mezzanine floor conversions and more, a reliable expert will be able to do what you need, using the best quality materials.**

#### RELIABLE AUTO-SERVICING IN MELBOURNE'S WESTERN SUBURBS

Established in 1969, M.F. McLeod Transport Equipment is a family-owned company which specialises in all types of engineering work relating to heavy transport equipment. With years of experience in the trade, our expert team can repair and service semi-trailers, as well as manufacture them. We also carry out conversions and extensions of semi-trailers, and all for an affordable price.

As a locally owned company, we value our customers and work hard to ensure the very best service at all times.

With all of our products made-to-measure, if you need professional auto-servicing throughout Melbourne's western suburbs, then M.F. McLeod Transport Equipment is the best choice.
