

Townsville's Reliable Asbestos Removal Experts

Put safety first with professional asbestos removal

Townsville Demolitions specialises in performing the safe and professional removal of asbestos from residential and commercial buildings. As authorised asbestos removal specialists, we will ensure your site is safely cleared of asbestos and certified with a clearance certificate.

Why choose us?

We are equipped to perform all manner of asbestos projects, holding all necessary licenses and tools:

- A Class asbestos licence – this approves us to remove any quantity of asbestos
- Registered with the Environmental Protection Agency – we can transport asbestos as needed
- Hand demolition equipment and asbestos suits – necessary for carrying out the project
- Full access to a decontamination unit – this is essential for removing friable asbestos

Unsure if your site holds asbestos? Don't take the risk! Townsville Demolitions can carry out a comprehensive asbestos inspection and test your home or building for this dangerous substance.

How the asbestos removal process works

Townsville Demolitions aims to make the asbestos removal process as easy, convenient and stress-free as possible for you. Here is a clear run-down of what to expect from the process:
