

CUSTOMER TESTIMONIALS

Excellent response to phone calls. Marie's telephone manner very polite, warm and efficient - friendly service. Speedy technical support from Jarett, Leo and Greg. Very impressed that when the installation proved faulty it was Greg himself who came out the very next day. All in all we were very happy with the service and the way we were treated. 10/10. Would strongly recommend O'Shea Plumbing.

On behalf of Barbara and myself, we'd like to thank Jarett and his offsider on the digger for the great way you carried out the stormwater job for us. Knowing how concerned we were for our garden, were most grateful for their care and the way they did such a terrific clean up afterwards!

Mr & Mrs Seccombe - Mitcham

I was very impressed with the service we received from O'Shea Plumbing. Anthony was highly professional and pleasant to deal with. He gave me a good indication of when he would arrive, and he arrived on time. He explained what he would be doing very clearly, and was an efficient and tidy worker. He was able to give recommendations about various items that might need to be replaced soon, but he did without being pushy. I would be happy to use O'Shea Plumbing again.

We were impressed by the prompt, courteous and efficient service provided by Jarett. We would highly recommend your business to future clientele and will definitely continue to use you when we have a plumbing problem.

I liked the idea of an Australian Company and a family company. I was really pleased that you could send a plumber quickly (day after my phone call). Jarett was the plumber sent - rang to indicate approximately the time of arrival and it was prompt. He was courteous, knew his stuff and completed the job in what I considered a fair time and I was happy with the price - I like the idea of a quote for the job rather than by the hour. I would give him 10/10 and if I need any plumbing will be using O'Shea's & asking for Jarett! Thanks for your service.
