Testimonials

Dec 12 "Just a quick note to thank you and your team for the fast, efficient and professional service rendered to my wife and I. We are very happy with the outcome and will certainly use you again for our future plumbing requirements. Likewise we will be happy to promote your company to our friends, neighbours and family. Simon, who did our installation was quick, tidy and informative and a credit to your company" - **Mark, Morleyne**

July 12 "Thank you for your great service. Calling a plumber on a Sunday morning is not what most people want to do on their weekend but your service was great. Clinton the very friendly and helpful plumber was even better. I rang for help at 10am and the plumber rang my doorbell at 11am. Fantastic! Thanks again. I will recommend you to all." - **Soleil, Como**

April 12 "My husband and I have used many plumbers over the years, we sure are happy that this time we used A. Able Plumbing.
